RE: Reading Makes Cents Day Camp, June 14 - 16, 2017

Thanks for choosing Jefferson County 4-H Camps. We are beyond excited to spend several days with your child. We work hard to create a fun, challenging, safe learning environment for every camper who participate in our programs.

The Reading Makes Cents Day Camp is for ages 7 – 10 and focuses on learning about money through reading and fun activities.

The camp will be filled with many activities which will include:

- Field trip to the library and campers will get their own library card
- Open a savings account at FMB
- Learn how to make a deposit at the bank
- Make duck tape wallets and piggy banks
- Have their own Mini Career Fair
- Play fun money games
- Take home books of their own

The cost for the camp is \$35.00. \$10 of the registration fee goes toward opening a savings account at the Farmers and Merchant Bank. Make check or money order payable to “**Jefferson County 4-H Association**”. There is a limit of 12 participants for the camp. Please complete all attached forms and return to the 4-H Office. **The deadline to pay fee and register is Tuesday, May 30.**

Jefferson County will provide water and healthy snacks for campers during the day. If your child has certain dietary restrictions, please let us know **ASAP**.

Clothes should be comfortable for inside/outside and closed toes shoes such as tennis shoes. Good behavior and positive attitudes are always encouraged. Campers may earn a visit to the “treasure chest” to reinforce good behavior.

We are looking forward to an educational and fun-filled day camp. Please call or email if you have questions or concerns.
