

Jed Dillard

Livestock and Natural Resources Agent I

850-342-0187

dillardjed@ufl.edu

275 N. Mulberry Street

Monticello, FL 32344

[2010 County Impacts and Outcomes](#)

Educational Program Focus:

- **Livestock and Forages**
Provide educational programming and technical support for Horse, Cattle and Sheep and Goat and Hay producers
- **Natural Resources**
Multi-county and multi-state programming addresses wildlife habitat management and pesticide applicator training. Twenty-one percent of the state's private land in conservation easements is in Jefferson County and fifty-nine percent of the county is in woodlands.
- **4-H Livestock**
Provide livestock training for county youth and collaborate with Northwest district on equine and cattle programming. Chair the North Florida Fair Junior Beef Show which attracts entrants from Florida, Georgia and Alabama.
